

POPSICLE STICK PAPER DOLLS

— *Ladies* —

- 1.) Print file on card stock.
- 2.) Color each doll to suit your fancy using your favorite colored pencils, crayons, or whatever you like the best.
- 3.) Cut the dolls out (either on the dotted lines or around the drawings themselves). Be careful with the scissors!
- 4.) Adhere a popsicle stick to the back of each using a small amount of kid-safe glue or a piece of tape.

Connect with me on social media—I'd love to see pics of how you decided to color them in!
